

Loose Tooth Matching

Make a set of OO word cards for each 2-3 students.
Cut out and place in a ziplock baggie for storage.

To play the Loose Tooth Matching game: (Similar to concentration)

Turn all the cards face down in rows. First player turns over 2 cards. If they rhyme, he gets to claim them and turn over 2 more cards. If they don't rhyme, the player turns them face down and the turn ends.

When all the cards have been claimed, the player with the most cards is the winner! Mix up the cards and play again!
